## *Save 20 Gallons A Day*

California's main water sources have been severely impacted by record dry conditions. But here's how you can help. JOIN the 20-Gallon Challenge today! Check out the tips below to learn how easy it is to save 20 gallons of water a day.

<u>Activity</u>	<u>Estimated Savings</u>
Water your yard before 8 a.m. to reduce evaporation	20-25 gallons a day
Adjust sprinklers to prevent overspray and runoff	15-25 gallons per day
Wash only full loads in the clothes-washer and the dishwasher	15-50 gallons per load
Fix those leaking toilets and faucets	15-50 gallons per day
Don't leave water running while rinsing the dishes or brushing your teeth	2-2.5 gallons per min.
